

COACHING

EDUCATORS

Looking for the next step in your journey as an educational leader?

Coaching for Educational Leaders can focus on:

- Consciously exploring your leadership style
- Ensuring the best possible results for different stakeholders
- Identifying your strengths, areas for development and career goals.

“Coaching has immeasurably assisted my professional development and leadership competencies. Caroline is a consummate professional who knows the international educational setting and is able to ask perceptive, challenging questions which provoke deeper thought about current actions and future plans. Her coaching has been extremely beneficial and has allowed me to raise and address issues in a reflective, challenging atmosphere.”

Khalil Ahmed, Head Teacher, The British School Bahrain

Caroline Beckett (BA PGCE MA CMCC PCC)

Caroline is a CoachME Certified Coach and a Professional Certified Coach with the ICF. She has over 15 years' experience, more than a decade in the MENA region, working as a Coach, Department Head and Academic Manager. Culturally sensitive, Caroline is well placed to coach educators in the international setting.
